stress counselling for Indian Police personnel; and

(b) if so, the details regarding the recommendations made by the National Human Rights Commission so far the question of imparting to the policemen is concerned?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR): (a) and (b) National Human Rights Commission has not sought any information from Ministry of Home Affairs. However, the Commission has held discussion with Director, National Institute of Mental Health and Neuro Sciences, Bangalore regarding a report submitted by the said Institute about occupational stress and mental health of police personnel in India. In the discussions it was decided that (i) Stress counselling for the police should be included in human rights training. (ii) The training module for stress counselling would be prepared by National Institute of Mental Health and Neuro Sciences and they would be able to train 15 trainers at a time. (iii) Director General (Investigation), National Human Rights Commission would get in touch with the Bureau of Police Research and Development to find out as to how they proposed to proceed further in the matter and (iv) The Director, National Institute of Mental Health and Neuro Sciences would address the personnel of the Investigation Division of the National Human Rights Commission on stress counselling sometime later.

केन्द्रीय भूमिगत जल बोर्ड द्वारा लगाए गए नलकूप

2709. **श्री रामजीलाल:** क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या यह सच है कि देश में पेयजल और सिंचाई हेतु जल की भारी कमी है;

(ख) यदि हां, तो केन्द्रीय भूमिगत जल बोर्ड द्वारा भूमिगत जल निकालने और उसका उपयोग करने के लिए किस-किस राज्य में किस-किस स्थान पर कितने नलकूप लगाए गए हैं और उनमें से कितने नलकूप चालू स्थिति में हैं; और

(ग) हरियाणा में अब तक कितने नलकूप लगाए गए हैं और सरकार ऐसे गांवों में जल उपलब्ध कराने में कहां तक सफल रही है जहां नहरी जल नहीं पहुंचता है?

जल संसाधन मंत्री (श्री जनेश्वर मिश्र): (क) जी नहीं। देश में उपलब्ध कुल उपयोज्य जल 1142 बिलियन घन मीटर है। जबकि जल का वर्तमान उपयोग लगभग 606 बिलियन घन मीटर है जिसमें से 536 बिलियन घन मीटर जल का उपयोग नहीं किया गया।

(ख) और (ग) केन्द्रीय भूमि जल बोर्ड केवल भू-जल के वैज्ञानिक अन्वेषण के लिए ड्रिलिंग करता है, और यह जल के विभिन्न प्रयोगों के लिए पम्पिंग करने के वास्ते नलकूपों की स्थापना नहीं करता। अतः केन्द्रीय भूमि जल बोर्ड द्वारा हरियाणा में खोदे गए कितने नलकूप कार्यात्मक अवस्था में और कितने नलकूप स्थापित किए गए, जैसे प्रश्न ही नहीं उठते।

Appointment of Governors and Lt. Governors

2710. SHRI SURINDER KUMAR SINGLA:
